Minutes of the Orton Waterville Parish Council meeting held virtually via Zoom on Tuesday 26th January 2021 at 7.00 pm.

PRESENT: Councillors J. Farnham (Chair), T. Rouse, D. Sandles, J Howell, J. Goode, B. Warne, B. Fearon, S. Dallimore, K. Knight, M Barrows and Mrs A. Brown (Clerk).

Members: 13 Quorum: 5 Members of the public: 4

7.00pm Public Question Time

Public Bodies (admissions to meetings) Act 1960 s 1 extended by the LG Act 1972 s 100.

Questions were taken from members of the public. This is not part of the formal meeting of the Council and only the subject matter raised has been noted below:

1. Supporting information provided by applicant for Orton Wistow Guides application – agenda item 160/01-21.
2. Supporting information provided by application for Cambridgeshire Lowland Search and Rescue (CamSAR) grant application - agenda item 161/01-21.
3. Local resident Ms Tiplady asked the Parish Council to consider reinstating the rough hedge with a fence over the drainage ditch to the edge of her property for security reasons.

158/01-21 Apologies for absence

Apologies were received and accepted from Cllrs Proudfoot and Dr Sridhar.

159/01-21 Declaration of Interests and Dispensations

None.

160/01-21 Orton Wistow Guides Grant Application

Orton Wistow Guides grant application for £400.00 to help with their annual costs and activities was considered. The Guides meet at Orton Wistow Primary School and girls from all the Ortons attend the group. Each Guide pays a monthly subscription to cover annual costs e.g. the renting the school. £400.00 grant money is required to help with these costs and for activities such as First Aid, Life skills and trips out to help broaden the Guides horizons. Fundraising events are normally held to help pay for activities; however this has not happened recently due to the current Covid-19 situation. It was RESOLVED to award the Orton Wistow Guides a grant of £400.00 to help pay for their activities.

161/01-21 Cambridgeshire Lowland Search and Rescue (CamSAR) Grant Application

CamSAR grant application for £500.00 to help with the purchase of drone equipment was considered. The Charity, established in 2006, is a specialist team called upon by Police in the search for vulnerable missing people and covers the entire county. Their service is available 24/7, 365 days a year and is free of charge. The drone has already been used many times in the Nene Park area. The team is made up of 100% dedicated fully trained volunteers and receives no central government funding. Cambridgeshire Police have to call upon the National Police Air Service if they require a helicopter as they no longer have their own, therefore having access to a drone helps CamSAR in their search for missing people. CamSAR have 4 volunteers which are approved drone pilots. It was RESOLVED to award CamSAR a grant of £500.00 to help with the purchase of drone equipment.

162/01-21 Local police matters

It was noted that the two local PCSO's have been made redundant. The Clerk stated that she will try and find a new Police contact for the parish.

163/01-21 Ward Councillors

Cllr Howell gave the following report:

Collapsing building on Cherry Orton Road

On 20th January, a former farm building on Cherry Orton Road has partially collapsed, with the debris falling onto the pavement. The council's Building Control officers have since attended the site. The structure is being made safe and will be repaired in due course as it is a listed building. Building Control

is satisfied that the structure poses no further danger to the public. However, the council is keen to know if other buildings on Cherry Orton Road are at risk, and asks members of the public to contact Cllr Howell.

Farleigh Fields parking

On 21st January, Cllr Howell received a complaint from a member of the public who had parked in Farleigh Fields to walk to Ferry Meadows. A member of the public had glued a notice to his windscreen asking him not to park there. NPT are aware and the Environmental Enforcement team at the council has also been informed. The gentleman making the complaint had travelled from Yaxley, and parks in the street to avoid NPT's parking charges. Cllr Howell has scheduled a meeting on 4th February to discuss.

Northgate development

On 20th January, Cllr Howell and Cllr Day met representatives from Bellway, the developer that will shortly submit a full planning application to Peterborough City Council to build 130 new homes on land opposite the entrance to Alwalton. If the application is approved, construction will begin later this year. We raised a number of concerns, in particular relating to the density of the housing and the need to create local walking and cycling routes.

Morrison's delivery failures

Over the past few weeks, Morrison's supermarket has cancelled residents' grocery shopping orders on the day the deliveries were due, leaving several households without food. The Peterborough Telegraph has taken the matter up with the company but the problems appear to be ongoing. The council has been informed as this puts some vulnerable residents at risk.

Dog bin at Riseholme

Cllr Howell has put in a request for a dog bin to be installed in Riseholme, Orton Goldhay as part of measures to taken dog waste being left on the pavements there.

Northgate/Southgate busgate

A council survey found that the majority of residents do now want a bus route to pass through the two estates. Discussions are now underway with the council on what to do about the area where Dunblane Drive and Loch Lomond Way join.

164/01-21

Minutes of previous meeting

The minutes of the Orton Waterville Parish Council meetings held on 22nd December 2020 and 5th January 2021 were agreed and RESOLVED as a correct record of the meetings and signed by the Chair.

Informal Parking Consultation: Ham Lane, Cherryfields, Chisenhale, Sunningdale

A copy of the Informal Parking Consultation relating to Ham Lane, Cherryfields, Chisenhale, Sunningdale has been received by the Parish Councils. As this was for information purposes only, the Parish Council agreed not to submit any response.

168/01-21

The Gannocks play area

Cllr Howell stated that she and Cllr Day have some left over Community Leadership Fund money which needs to be spent in this financial year and asked if The Gannocks had any areas which required improvement. Cllr Dallimore informed the meeting that the walkway in the middle of the field, near the mound, needed some improvement to make the ground more stable to walk on, and that the area at the

entrance near the barrier gate, required some attention as it was prone to flooding. It was agreed to obtain a quotation from the Parish Council contractor for these works. Cllr Dallimore offered to meet with the contractor to explain the required works.

Action: Cllr Dallimore.

169/01-21

Parish Lengthsman

Cllr Howell asked the meeting whether the Lengthsman would be allowed to clear snow near the flats at Rangefield, Orton Brimbles, should the need arise again. The Clerk agreed to find this out.

Action: Clerk.

170/01-21

Grass bunds within the parish

Paul Robertson, PCC has informed the Clerk that he is open to the idea of the Parish Council being responsible for the bunds once wildflowers/bulbs have been planted on them. It was agreed that the Clerk will find out if this means that the Parish Council will have to permanently take over the grass cutting of the bunds after the wildflowers/bulbs have been planted.

Action: Clerk.

171/01-21

Parish Council website

The Clerk reported she is having problems with the transfer of the old website over to the new one. Cllr Goode offered to help the Clerk with this.

Action: Cllr Goode and Clerk.

172/01-21

Planning matters

1. It was RESOLVED to submit comments where appropriate on applications as below:

19/00347/FUL	Erection of Lakeside Activity Centre, which comprises an indoor climbing centre with climbing walls housed in a tower up to 34.25m high, indoor children's play area (D2), ancillary cafe (A3) and associated infrastructure, landscaping and car park at Ferry Meadows Country Park Ham Lane Orton Waterville	Following material observations to be submitted to PCC Planning: <ul style="list-style-type: none"> • The previous comments we made on 26th March 2019 and 28th January 2020, were that we considered the size of the building was out of keeping with a country park and that the access road to the site was unsuitable for construction traffic in that it was too lightly constructed, too narrow and had a blind corner by the railway bridge. • In addition, the recent serious flooding of the site makes it unsuitable. If the flooded area is built on it will transfer the flood water elsewhere causing problems such as, increasing the flooded footpaths and adjacent play area. Any flooding of the site is likely to cause the foul and surface water drainage of the building to be surcharged with flood water and made inoperable.
20/01693/HHFUL	Front extension, including internal alterations and new window at 19 The Rookery, Orton Wistow, Peterborough PE2 6YT	No material observations
20/01712/HHFUL	Single storey and part two storey rear extension at 556 Oundle Road, Orton Waterville, Peterborough PE2 5UX	No material observations
21/00017/HHFUL	Replacement of conservatory with flat roof extension, reconstruction of entrance porch & rendering of existing building 51 Lady Lodge Drive, Orton Waterville, Peterborough PE2 5EU	No material observations

179/01-21

Maintenance

1. Bus stop on bus lane opposite Fallowfield and Paulsgrove: Buses using the stop to pick up/drop off passengers are blocking the footpath crossing. The Clerk will contact the bus company and ask if they are able to consider moving the bus stop further down the bus lane.

Action: Clerk.

2. Road gritting: It was asked if PCC are gritting roads less this year. Cllr Howell stated that she has not heard anything on this matter however agreed to make some enquires.

Action: Cllr Howell.
