Borthwick Park Jubilee street party grant application

The grant request for £250.00 towards a Jubilee street party at Borthwick Park was discussed. It was RESOLVED to award £50.00 on the proviso that the applicant contacts Justin Beaumont at Peterborough City Council to ensure that:

- The council is aware that the event is taking place
- The event conforms to the city council's requirements for street parties
- An appropriate risk assessment is undertaken to the satisfaction of the city council

222/03-22

Orton Wistow Under Fives grant application

The grant request under prior agenda item 171/01-22 was further discussed. Orton Wistow Under Fives have already secured £8,000.00 and are seeking £3000.00 from the Parish Council towards new play equipment at Orton Wistow Community Centre. The Clerk reported that PCC have stated that they are unable to help with any funding. Aragon has also said that they are not able to get a more favourable quote for the required piece of play equipment. Cllr Howell informed the meeting that she had spoken with the play group about approaching PCC again. Also, the majority of the funds are required for ground works. It was agreed to put the grant application on hold and ask that Orton Wistow Under Fives representatives further liaise with PCC as the community centre is their building and access to the play equipment is only for those attending the play group.

223/03-22

Local police matters

Cllr Dr Sridhar reported that recently there had been egg throwing incidents in Orton Northgate. Cllr Howell stated that the culprits had been identified and spoken to by the police.

Cllr Knight reported that a group of youths had been causing issues around Orton with graffiti (including Orton Wistow park). The police have made arrests and the criminal activity seems to have stopped or slowed down.

224/03-22

Ward Councillor reports

Cllr Howell gave the following report:

COVID

Cllr Howell was one of 20 people who caught COVID at the meeting of the full council on 3rd March. She has been out of action for most of the month because of it.

Council Budget

The budget for the forthcoming year was approved at a meeting of the full council on 3rd March.

Local Elections (City Council)

These will take place on Thursday 5th May. Cllr Howell is standing for re-election.

Drifting

At a meeting of the Communities Scrutiny Committee on 8th March, an interim report of the Task and Finish Group to Examine Issues with Car Cruising in Peterborough was presented and approved. A full report is expected in June. She will provide the Clerk with the interim report for circulation to councillors.

Gostwick

Permanent anti-traveller defences have been installed in Gostwick in the form of a grass bund. The road has also been resurfaced, which unfortunately has led to a number of complaints (as it is not aesthetically pleasing).

Brackenwood

There is an ongoing problem with parked cars apparently due to a private residence being used as a commercial to fix vehicles. The council is investigating this.

Peterborough Unlimited Wins an Award

Peterborough Unlimited won the Community Contribution of the Year award at the Athene Communications 2021 Peterborough Regional Media & PR Awards. Peterborough Unlimited is Cllr Howell with Peterborough Telegraph, Joel Lamy and Julie Fernandez. The aim of the campaign is to make Peterborough better for disabled people.

Brown Bins

As of 1st May, the brown bin service will be reinstated, with brown bins now being emptied on the same day as black bins.

The meeting was asked if the Parish Council could raise the issue of the lack of toilets with PCC. It was suggested that the Parish Council writes to Wayne Fitzgerald, leader of PCC.

Cllr Knight gave the following report:

Debdale Pond

There have been issues at Debdale pond with anti-social behaviour. Trees have been burnt down and shopping trolleys thrown into the pond. PCC have cleared the area. Police are aware and have caught the gang.

Orton Library

Cllr Knight has met with PCC Officers and Cabinets member to discuss the future of Orton Library. There is likely to be one more meeting before the decision is made to either close or reduce the service.

Peterborough Limited

As from 1st April 2022, Peterborough Limited is taking over all leisure and culture services including libraries.

Clerk's update

180/01-22 - Winter flowers in tree belts

The PCC Wildlife Officer has provided the Clerk with the following statement regarding flowers in tree belts: 'As a general rule flowers cannot be planted within the shelter belts owned by PCC due to issues surrounding management responsibilities and difficulties in establishment. However it is PCCs aim to thin the woodlands to allow light to the forest floor and help the natural flower seedbank there grow without interference'.

227/03-22

The Gannocks

1. Aragon has quoted approximately £21,000.00 for installing the piece of play equipment chosen by the children. This does not include removal of the vegetation and tree stumps prior to installation. The cost is high because a stone base and the a wet pour surface is needed. If the piece of equipment is situated outside of the wooded area, then the cost would come in within the allocated budget of £10,000.00 as the wet pour surface is not needed. Due to the cost, it was RESOLVED to install the equipment outside of the play area subject to permission being granted by the Planning Inspectorate.

Action: Clerk.

2. An extra grass cut has been carried out at The Gannocks.

229/03-22

Brown bin collections are due to restart on 1st May 2022. A link to PCC brown bin information will be put on the Parish Council website.

232/03-22

Non collection of green bins in Gostwick

Cllr Howell informed the meeting that Aragon had failed to empty the green bins w/c 7th March as Gostwick had been blocked by roadworks, and were unable to return to empty them until the next scheduled collection. This caused distress to residents whose bins were full. Aragon could however come back sooner at a cost of £195.39 + VAT. In her capacity as Ward Councillor, Cllr Howell consulted with Cllrs Farnham and Rouse and asked if the Parish Council could pay this one of cost because of the way residents were feeling. This was agreed as the Financial Regulations allow such expenditure for emergencies as it is under £500.00 - OWPC Financial Regulation 2017 clause 4.1. Aragon returned the next day and emptied the bins. It was RESOLVED to ratify the expenditure of £195.39 + VAT for the return collection of green bins at Gostwick on 15th March 2022. It was also agreed that Cllr Howell Council will write to PCC Adrian Chapman and Cllr Simons pointing out that residents have in effect paid twice for this service.

Action: Cllr Howell.

233/03-22

Lynch Wood – ‘Slow down children’ crossing signs

Ward Cllr Day addressed the meeting and informed the Parish Council that residents had contacted her with their concerns with trying to cross the road (from Northgate to Orton Wistow School) at the lower Lynch Wood roundabout. Cars tend to drive very fast down these roads and there has been a near miss. Cllr Day asked if the Parish Council could consider paying for the purchase and installation of ‘Slow down children crossing’ signs which might help make drivers aware as her CLF has been suspended. The signs cost £90.00 or £125.00 if a new post if needed. There are also associated traffic management costs which Cllr Day is trying to find out what these are. Cllr Howell stated that FI are developers starting up again at Lynch Wood and are putting in traffic measures and that Cllr Day should contact them in the first instance. Cllr Howell will give Cllr Day FI contact details.
